

## **2017 MS Winter I Sports' Physical and Permission Slip Procedure**

Hello, the Island Trees Athletic Department would like to remind our middle school parents and students that the Winter I Sports season, which includes Boys basketball and Girls Volleyball, begins on Monday, November 6<sup>th</sup>.

Students wishing to play school sports must have an updated physical and parent permission form on file with the MS nurse prior to trying out. Physicals are good for one year from the date that the physical was conducted. New parent permission slips must be submitted prior to each season that a student intends to play. Forms are available in the Middle School main office and Nurses Office. They can also be found online on the Athletics page.

The MS Nurse's office will begin accepting physical forms and parent permission slips on Wednesday, 10/18<sup>th</sup>.

For those students requiring a physical, the school doctor will be in the MS Nurse's office on Wednesday, 11/1 immediately after school. Please contact the school nurse to schedule a physical should you require one. Walk- ins will not accepted.

Please remember that no student will be permitted to tryout for a team without medical clearance and a signed parent permission slip. Handing in forms at the last minute will delay a student's clearance so it is highly recommended that you submit your forms early.

If you have any questions, please contact the Athletic Office at 520-2173 or the MS Nurse at 520-2164.

A written copy of this Connect Ed message can be found online on the Athletics page.

Enjoy the rest of your Fall and Go Bulldogs!
