

2018 MS Winter II Sports' Physical and Permission Slip Procedure

Hello, the Island Trees Athletic Department would like to remind our middle school parents and students that the Winter II Sports season, which includes wrestling and Girls basketball, begins on Tuesday, January 16th.

Any student wishing to play school sports must have 2 items on file with the MS nurse and they are: the sports physical and the parent permission form. Parent permission forms can be found online or can be picked up in the Middle School main office.

The MS Nurse's office is now accepting physical forms and parent permission slips for the Winter II season. The deadline for submitting these forms will be Wednesday, January 10th.

Please remember that no student will be permitted to tryout for a team without medical clearance and a signed parent permission slip. Students who handed in a parent permission slip for Winter I must hand in a new parent permission form for Winter II. Handing in forms at the last minute will delay a student's clearance so it is highly recommended that you submit your forms early and before the deadline date.

If you have any questions, please contact the Athletic Office at 520-2173 or the MS Nurse at 520-2164.

A written copy of this Connect Ed message can be found online on the Athletics page.

Thanks and Go Bulldogs!
